High Definition 3D.

Each piece of art was created in high definition 3D. In fact, we chose the highest quality for a rendering matching our expectations.

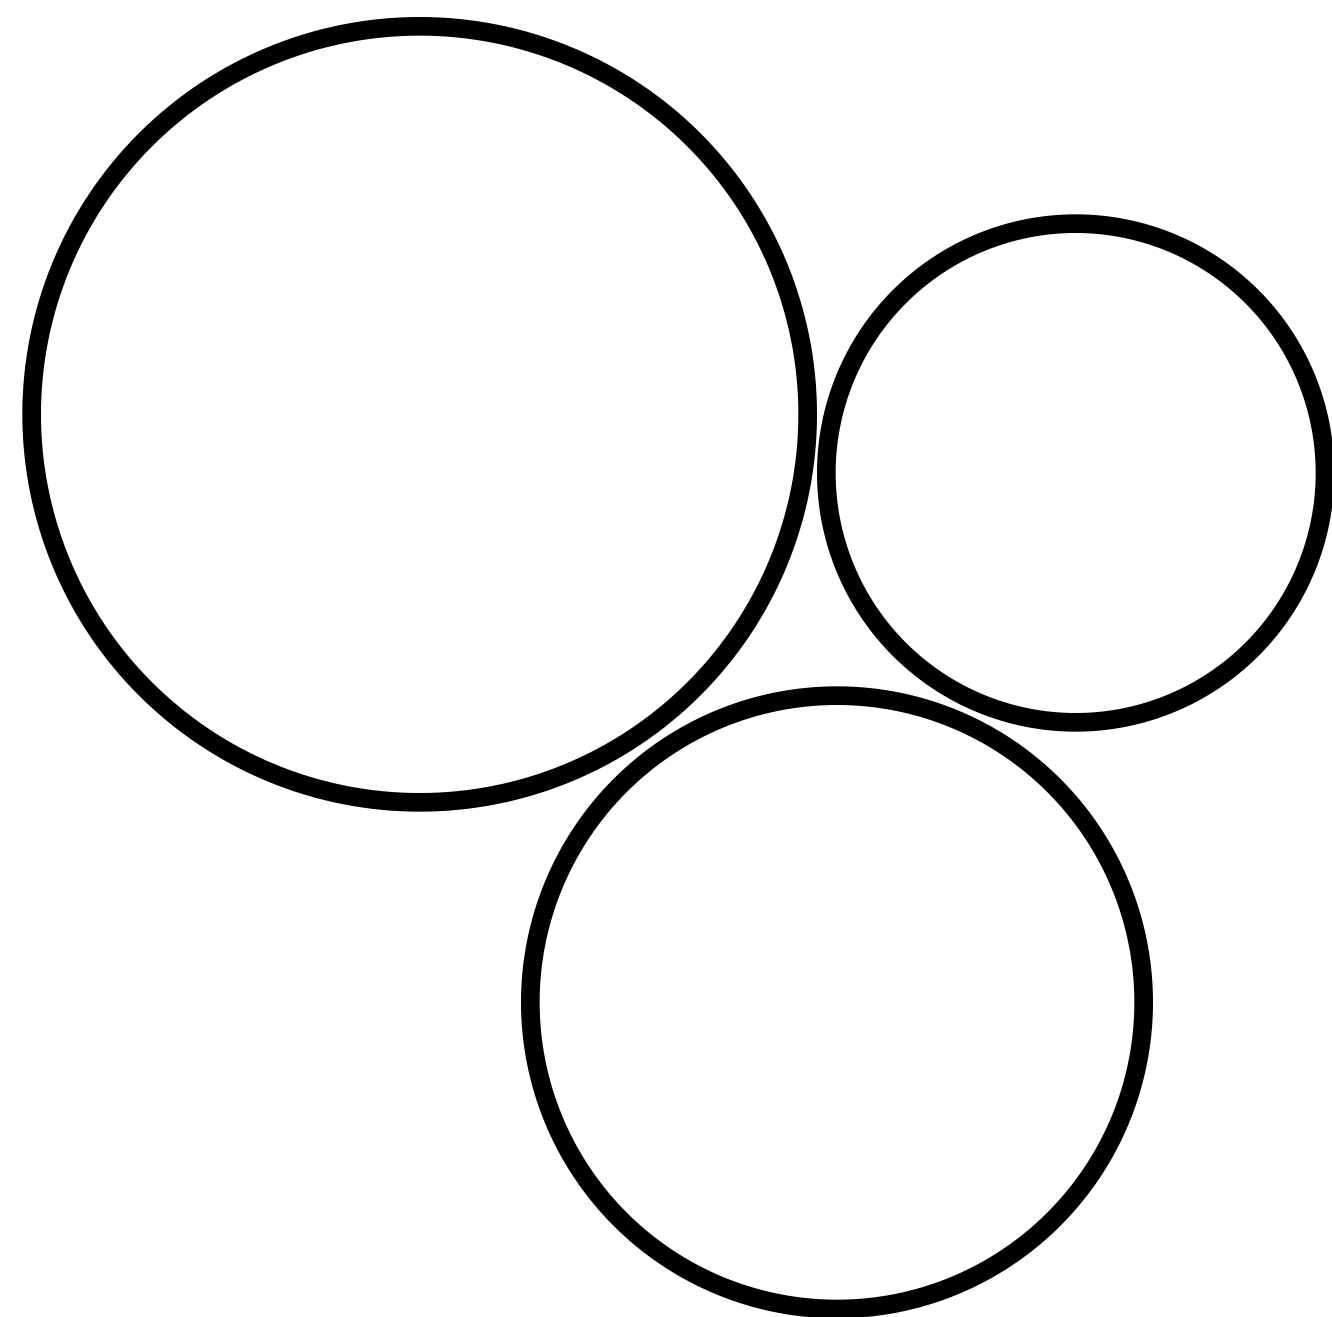

Universe.

Futuristic, antique, classic or fantastic, this collection features a variety of themes each in a universe of its own.

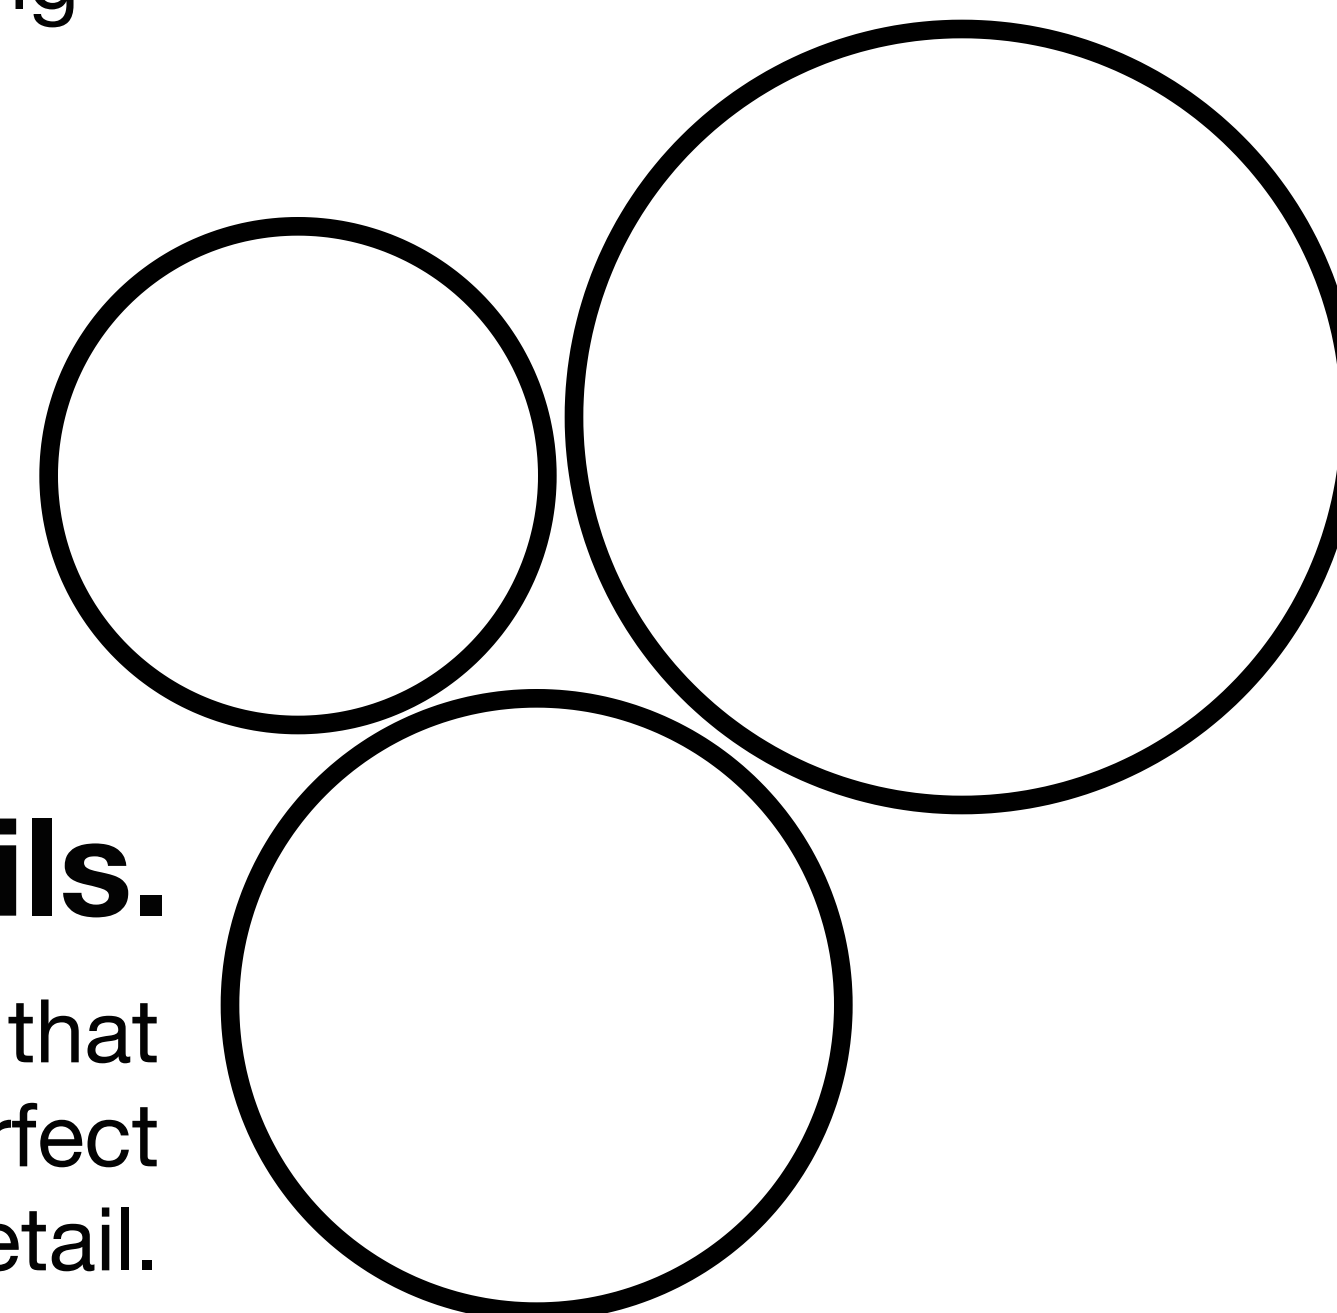

Colors and effects.

Observe the reflections that can appear in the textures. Our artists have combined colors and created effects that make each NFT come alive.

A Manga look.

Each piece in the collection was designed around a common theme: Manga. The artists had fun reinventing this well-known art form.

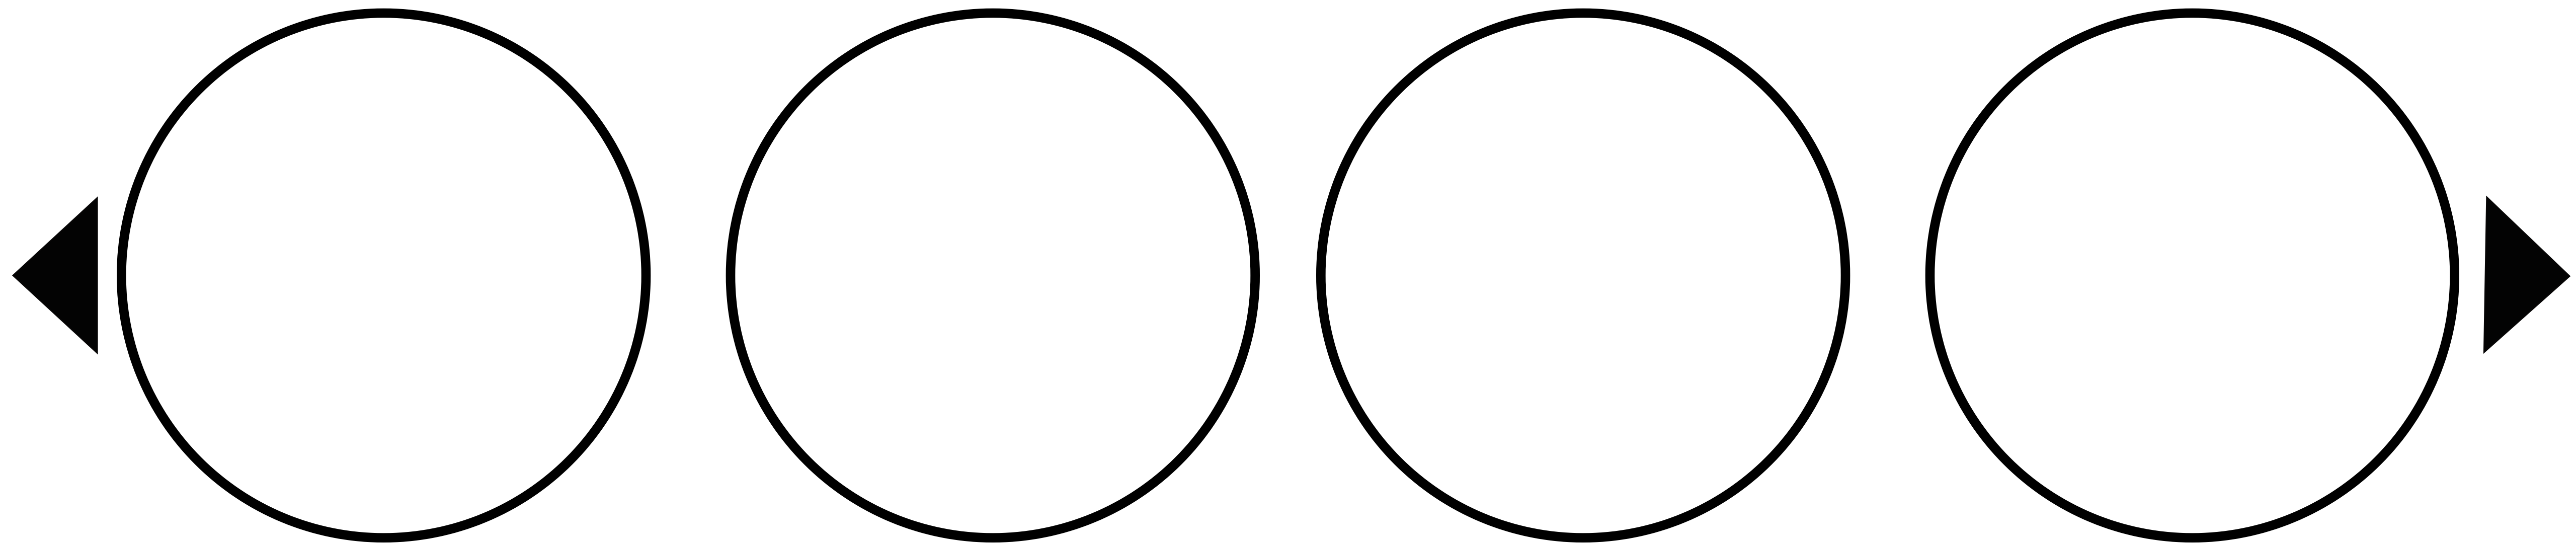

Details.

Admire the shadows of the accessories or clothes that reflect on the skin of the characters. Each NFT is perfect down to the smallest detail.

Only 10 legends.

Find the very limited series of 10 art pieces made with the same high standards as the rest of the collection. Invest now and watch their value grow.

Our Road Map.

1

Community Fund.

100'000\$ will be made available to all to create a new MANGA SOCIETY project driven by the community.

Royalties.

Each month, a number of collectors will be chosen and 30% of the royalties will be sent to them.

Your questions. Our answers.

What is MANGA SOCIETY?

It's a collection of 5999 unique and high-quality 3D digital artworks. Each creation represents a Manga character that condenses the work of a collective of artists.

How to join MANGA SOCIETY?

You just need to own at least one NFT that you will be able to mint from our website. The mint date will be communicated to you soon.

How many NFT are available?

This collection consists of 5999 high definition 3D NFT stored as ERC-721 Tokens on the Ethereum Blockchain. All hosted in IPFS.

What is the price of NFTS?

The mint price will be announced soon on our discord.

When will you be able to mint?

The mint date will be announced soon on our discord.

How can I mint?

You will need a Metamask wallet. You can check out all our tutorials on our Discord.

What is Metamask?

Metamask is a cryptocurrency wallet that allows you to store your Ethereum tokens. It is with these tokens that you will be able to buy and have a MANGA SOCIETY digital artwork.

How can I access my NFTs?

You'll have to wait until the reveal, after the collection is sold out. On reveal day, you'll be able to see it by connecting your wallet to OpenSea.

What blockchain do you use?

We use the Ethereum blockchain.

What are the secondary royalties?

We take 5% royalties in order to develop the project and reward the holders.

Will there be any rewards?

Yes, but you need to be active and responsive on our Discord. We will announce all giveaways and rewards there. For more information, check out the Mind Map.
